The information you provide via this form will replace any previous expect to complete information.

Please allow three (7) working days for this form to be processed. Then check **eStudent** under My Results – I Expect to Complete. If the information is incorrect, please contact Macquarie City Campus. **Do not look under My Results – Check for Graduation. Graduation information will not be available until after you qualify for your award.**

If after the release of results on eStudent for the year and study period when you expect to complete, there is no information regarding your award (degree/diploma/foundations), and you believe you should have qualified, you will need to follow the instructions on the **eStudent** noticeboard, paying close attention to the published deadline for contacting the University in order to be included in the next series of graduation ceremonies.
